A. SIGNIFICANT ITEMS

None to report.

B. OTHER ACTIVITIES

1. We are much indebted to DTR for interceding for us to obtain on loan from EE to present Hungary-Basic Country Survey #1. Pending final arrangements to be made with and TSS, which has been utilizing his services, we plan to have him devote about seven weeks to organization and self-briefing before beginning the course in mid-March. will provide some instructional assistance. Enrollment will apparently reach about 15-20.

2. Americans Abroad Orientation #8 was completed with 30 employees and dependents enrolled. Students' critiques were by far the most favorable ever turned in, reflecting widespread interest in returnees' panel discussions and in the chief instructor's talks on importance of to the U.S. and historical background of present-day attitudes. both participated again.

3. France-Integrated Language/Area Study #1, beginning 17 March, will apparently have six to seven enrollees - about par for intensive instruction in the foreign language. met with of FE, who expressed wholehearted support and presented six candidates for preliminary screening within 24 hours. Three of these have the necessary conversational proficiency in French to qualify for admission. Only two of WE's four candidates meet our standards and we are suggesting another effort by that division to find qualified persons.

4. about making available to Graphics, on a temporary, part-time basis.

5. The DDI/DDS area conference at is currently in progress.

6. On 29 January, the Portuguese test was given for one person by special request. Mr. FE, served on the oral panel. On 4 February, the French test was given for one person by special request. Mrs. served on the oral panel.
